USAMA BIN ASHRAF

I am indebted to CSPs for the invaluable role it played in my CSS journey. The institute's unwavering commitment to academic excellence, coupled with guidance from dedicated faculty members equipped me with enough skills to navigate the complexities of CSS examination successfully.

AMMARA SATTAR
(PSP)

I extend my gratitude to the outstanding faculty at the CSPs academy, whose commitment greatly contributed to my success. The thoughtfully crafted mock exams and the positive learning atmosphere significantly enhanced my preparation for the exams.

MAKHMAL HAYAT JASRA
(Assistant Commissioner)

CSPs has been truly a source of enriched guidance for me. From essay writing by Sir Jasra to GSA by Sir Qasim Umar to the most experienced mock interview panel, CSPs has been the sole institution I can give credit to for my success.

SAAD REHMAN
(PAS)

I scored 65 marks in essay paper of CE-2022. I shall not fail to acknowledge the fact that Sir Mureed Jasra systematic and minute-level guidance in essay helped me get this score. When i saw the topic of essay during my exam, I recalled Jasra methodology and instructions, fixed my understanding on the topic, and played on it till the end - confidently. It worked well for me. His teaching helped me clearly understand the topic and innovate during my paper. I am grateful for his constant evaluation mechanism, and his cooperative staff who offered me all the services during my distant learning with a significant flexibility. I would always recommend learning from CSPs Academy as it was a source of right guidance for me.
